

COMPANY PROFILE

NGS Group is a diversified business group comprising two key subsidiaries:

- **NGS Investments Ltd:** Focused on agribusiness with operations in cotton ginneries located at Bariadi, Katavi, and Uvinza. The company also manages a fleet of over 100 trucks for transit and logistics services.
- **NGS Petroleum Ltd:** Operates under an OMC license for fuel importation and manages 10 retail fuel stations.

ABOUT US

Vision Statement:

- "To be a leading diversified enterprise in East Africa, excelling in sustainable agribusiness, petroleum services, and logistics, while fostering innovation, operational excellence, and long-term growth"

Mission Statement

To deliver high-quality products and services in agriculture, petroleum, and logistics by adopting reliable internal systems, ensuring statutory compliance, and promoting efficiency. We are committed to maximizing value for our stakeholders, empowering our workforce, and contributing to the economic development of the communities we serve.

Core values

- ❑ **Integrity:** Upholding the highest ethical and operational standards.
- ❑ **Excellence:** Continuous improvement and superior service delivery.
- ❑ **Sustainability:** Commitment to environmental and social responsibility.
- ❑ **Innovation:** Embracing technology and new ideas to drive growth.
- ❑ **Collaboration:** Building strong partnerships and teamwork.
